

Stand-Up Hearing Loop Signs

IL-SN10 / IL-SN12

Stand-up signs are available for both portable and fixed hearing loops.

As hearing loops are often installed out of sight, it is important to make people aware where a hearing loop is available. These signs should be clearly placed wherever there is a hearing loop installed.

Physical Data

Dimensions	Width – 95mm (3.74") Height – 105mm (4.13") Depth – 50mm (1.96")
